

INSTRUCTIONS: Important to note the use of following symbols in dropdown response options

- ☐ Means chose one only
- ☐ Means select all that are applicable

Notice the CATI module is a very shortened version of the Household Update, the Household Member Update, and may trigger the normal EVENTS modules trigger Pregnancy Outcome Notification Module and Household Member Registration Modules as there are in CAPI Household.

The modules below are NEVER done in CATI:

- Household Socio-Economic Module
- Pregnancy History Module
- Child Health Vaccination Module

☐ Yes [**if YES, terminate interview here, and deactivate all subsequent questions**]
☐ No

Section 2: Household member Roster

- 2.1. Prepopulate household roster with all currently registered members of the household; full names [surname, first name, second name, DSID, date of birth (yyyy-mm-dd) and current age in years]
- 2.2. Provide space to add any new household members currently not on the prepopulated household roster [capture full names surname, first name, second name only, automatically generate a Temp ID for them, and allocate HMR form for each newly added member. For instance, for the first new additional member for household AB, generate AB-01, etc]

- 2.3. To check if there are any new household members to be added to the household roster, use the following probing questions to ensure you list all household members:
- 2.1.1. Could you please tell me the names of all new members of your household not on the household roster but who are 'currently' resident here? ***[Provide space to capture people listed through this probe question into household roster]***
- 2.1.2. Could you please tell me the names of all new members of your household not on the household roster but who are 'currently' not usually resident here? ***[Provide space to capture people listed through this probe question into household roster]***
- 2.1.3. Are there any other people not on the household roster but who are usually resident with your household and usually eat together with your household, such as domestic workers? ***[Provide space to capture people listed through this probe question into household roster]***
- 2.1.4. Has any person who had become a member of your household after [DATE of last visit] died or out-migrated and is not listed on the household roster ***[Provide space to capture people listed through this probe question into household roster]***
- 2.4. [Prepopulate head of household at last visit] Has household head changed?
- ☐ Yes
 - ☐ No
- 2.5. On which date did household head change? YYYY-MM-DD
- 2.6. [IF Household head changed] Who is the household head [Choose from list of the household roster and link]
